I would be water
if I could
blue
deep, silent in those depths
leaving,
but always returning
to shore
It's like that
leaving you
is going out to sea,
to strangeness,
but this year
leaving is not
final.
Like the water.
I'm leaving
but I'm coming back
to shore

BENEDICTION

Wisdom, be thou more precious
than possessions without end.

Truth, be thou more sacred
than the pleasing of a friend

Courage, be thou our strength
to gain the distant goal.

Beauty, send thou a cleans-
ing wonder to our souls.

Goodness, be thou our guide
upon life's way

Peace, be thou the benedic-
tion of our day,
(Jacob Trapp, Donald S. Har-
rington)
